### **Supplies and Service**

If you are in need of supplies, please contact me and I can help get them for you. District 66 receives a discount on supplies such as reeds, oil, swabs, grease, etc.. I can have supplies delivered to Lakeview for your convenience or you can visit the store in person.

### **Smartmusic**

For those of you looking for a way to practice things at home, Smartmusic offers you an opportunity to have thousands of things to play at your fingertips. It is an online subscription based program with method books, band music, scales and exercises, and much more. It is a great way to keep you playing. There is a link to the Smartmusic website on the community band website under the resources tab.

### **Community Band Website- [www.communityband66.weebly.com](http://www.communityband66.weebly.com)**

As the Center Cass Community Band evolves, the website will become a place to access resources. Under the resource tab, there will be links to a variety of pages that will assist you. I will eventually have pdf's of the band music, fingering charts, websites, and other helpful resources for those who may need it.
